The second game between the Chubs and Marty, Swift's Scranton aggregation was not as interesting as the first. The weather was hot, and, coming suddenly as it did, it made both the spectators and the players a little uncomfortable.

Snap and ginger were lacking in both teams, but luck kept with the Chubs, and they quickly could not help hitting the ball. Hits ran up against each other in the first two innings and five runs resulted for the visitors. Every man did great work. Ward, Henry, Smith and the Delehanys excelling. Score:

Players: R. H. O. A. E.  
T. Deleahy, 2 h. .... 2 4 4 0  
Smith, 1 f. .... 1 1 0 0

There was no sensational playing and the only thing that bordered on the sensational was the catching of Dougherty's long fly by Hargrove. Chesbro was the only Chub who failed to connect with Hodson's twirls, although he caught a base on balls once, and managed to score on the same.

The day was an off one for both teams, but fortunately the Chubs held their end up better than the visitors. The crowd took things good-naturedly, but feeling was at a minimum. It was useless work anyway for the work in the first two innings settled the game.

Hodson, the Scranton pitcher, was not in good shape, suffering with a bad arm, and under these circumstances he must be understood as doing good work.

Captain O'Connell, the gentlemanly and handsome captain of the visiting team, says the game to-day so far as his team is concerned, will be equally as brilliant as that of Monday. He will have in his best pitcher and expects to win. The Scranton Boys have become great favorites with the local fans and yesterday witnessed the remarkable spectacle of the denizens of Roosters' Row, led by Dr. Eton, of Barton Heights, rooting vigorously for the visitors.

There were about one hundred of the faithful one thousand about yesterday, leaving only about nine hundred pent. To-day a roll-call will be given and a fine of one bottle of sarsaparilla and a box of peanuts will be imposed upon each absentee.

Bishop has a turn to-day and his friends hope he will win. There is very little to say about the game yesterday. The detailed score will tell the tale:

The Richmond team seems to be particularly strong in the box, there is as impression hereabout that it is a far from Washington so far as pitchers is concerned—Scranton Republic.

Lancaster must have a good team to defeat Richmond, who ought to be in the National League—Lancaster News.

The directors of the local club for several days last week endeavored to place two or three of the players with other clubs, but no satisfactory arrangements

A doctor's examination might show that kidneys, liver and stomach are normal, but the doctor cannot analyze the blood upon which these organs depend.

Hood's Sarsaparilla purifies, vitalizes and enriches the blood. It cures you when "a bit off" or when seriously afflicted. It never disappoints.
